Meeting Information

Zoom information: Registration Required
[CVP Water Temperature Modeling Platform, MTC Meeting #10, Meeting Registration](#)

The Modeling Technical Committee is an open forum with scheduled quarterly meetings for collaboration on WTMP development and progress review. Active participation and constructive contribution by professionals, stakeholders and interested parties is encouraged to improve project products and applications.

Objectives

- Provide the last installment of technical updates for the WTMP development and implementation.

- Establish shared understanding on the current WTMP project products and accomplishments, as well as the expectations for continued implementation.

- Celebrate the successful MTC process and solicit input on considerations for continued implementation and collaboration.
