

Exhibit X – Reclamation Involvement in Governance of Sites Reservoir Project

Purpose

This Exhibit sets forth the governance rights and responsibilities of Project Participants, Reclamation, and DWR in the Sites Reservoir Project. It clarifies that while Reclamation and DWR may observe and attend governance meetings, are not considered members of the legislative body, ~~and~~ they do not hold voting rights, except as expressly provided in their respective agreements with the Sites Project Authority. Reclamation and DWR Representatives are not expected, at this time, to file a Form 700 annually with the State FPPC.
