

Otto Otter Water Safety Program

Water is powerful.

Respect it. Don't risk it.

Otto Otter helps communities learn how to stay safe around canals, dams, and reservoirs. Today, Otto continues to support families, educators, and communities with water safety outreach across the West.

Reclamation's Favorite Otter *Fun Facts*

Otto reaches thousands of students every year.

Partnered with schools and communities since 1975.

Multiple Otto costumes travel the nation to spread the water safety message.

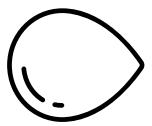

Watch the 50-year story behind Otto!

Where's Otto Otter?

Otto wants to remind you that canals are dangerous, with fast currents and steep walls. Canals are not for cooling off!

Explore fun and safe places to beat the heat, like splash parks, pools, or water play areas. Stay cool, stay safe, and

stay out of canals!

Can you find these items?

Otto Otter

"DANGER" sign

Ice cream cones

Sprinkler

Beach towels
