IRRIGATION BLOCK PLAT
IRRIGATION BLOCK 24

Comprising lands located within the operation
of the
South Columbia Basin Irrigation District

Township 14 North, Range 28 East W.M.

DEFINITIONS

As used herein, an Irrigation Block is a body of land which is to be put under irrigation at substantially the same time.

As used herein, a Special Water Delivery Unit is a unit of land, irrespective of ownership, classified for sprinkler irrigation only or for any method other than the method of irrigation normally used on a water delivery unit and, with certain exceptions, served by a single turnout.

CERTIFICATE

I hereby certify that this plat of Irrigation Block 24, Columbia Basin Project, Washington is based upon an actual survey of the lands therein; that the distances and bearings for special water delivery unit boundaries are shown thereon correctly; and that sufficient corners and monuments have been set on the ground to permit an orderly resurvey if necessary.
