RE: Upper Snake River Unallocated Storage

Dear Mr. Keyes:

At the Committee of Nine meeting on May 16, 1989, the Committee discussed the ongoing negotiations with Wyoming for Palisades storage and the remaining unallocated storage water in Palisades and Ririe Reservoirs.

A resolution adopted at the meeting directs me to write asking that Water District 01 be prioritized for the acquisition of the remaining unallocated water so as to mitigate effects on existing users which will occur by reason of a settlement agreement or litigation of the Sho-Bans claim for the Fort Hall Reservation.

The Committee also has asked that we be involved or at least kept informed of the developments in the ongoing negotiations with Wyoming.

Respectfully,

John A. Rosholt
