	walk on the two plans at the last AMWG meeting. They seem to be in sync and now it's up to DOI on whether it will be implemented. Sarah Rinkevich (tribal liaison with Loretta Jackson-Kelly) said she was tasked by Lori Caramanian to prepare a final document based on comments received from the tribes and get their approval before DOI signs off on it in early February.			
2011:03-08-9(4)	<p>3/8/11: The CMAHG will rewrite Appendix B (integrating Science Advisor comments and include criteria) and bring a revised version back to the TWG at its June meeting.</p> <p>6/28/11: Shane said draft criteria were developed and a review of Appendix B needs to be done before approval of the plan. He has been waiting for the new GCMRC chief to come on board so the TWG and GCMRC can work together. He believes the plan will be ready for final review in September.</p> <p>10/20/11: Shane said he would work with Jack behind the scenes to streamline reporting on projects, preparing documents, and developing the workplan, and then report to TWG.</p> <p>2/2/2012: Shane said the next step is to have a CMAHG and GCMRC discussion about future directions. He will talk with Jack Schmidt about the Core Monitoring Plan and making arrangements for what needs to happen next.</p> <p>4/16/12: Shane said there needs to be a meeting between Lori Caramanian, Jack Schmidt, Dave Garrett, himself and possibly others to discuss potential progress.</p> <p>6/20/12: Shane said Jack has agreed to consider moving forward in working on this. A rewrite will be done to more fully integrate the AMWG's concerns. Shane will work with the CMAHG in preparing a revised version for the TWG to consider in October.</p> <p>10/24/12: This item was dropped from the agenda due to time.</p> <p>Update 11/14/12: Shane will schedule a CMAHG conference call and report back to the TWG.</p> <p>1/24/13: Glen said DOI plans to rely on GCMRC to do a core monitoring plan as part of LTEMP EIS and has the TWG shouldn't take any action until the LTEMP EIS is completed.</p>	Shane Capron & CMAHG	Ongoing	Open
2012-10-24(5)	<p>10/24/12: Update at the next TWG meeting on progress of non-native fish removal; the method deemed appropriate and the consultation that will be required, and a synthesis of HFE results.</p> <p>1/24/13: Glen said there are no plans to implement NNFC because Whirling disease is in the system impacts doing live removal and the risk is too high to move the fish. The MOA says if live removal can't be done, then BOR will consult with the tribes to determine if there are other means to mitigate the adverse effect.</p>	Glen Knowles	Jan 2013	Open
