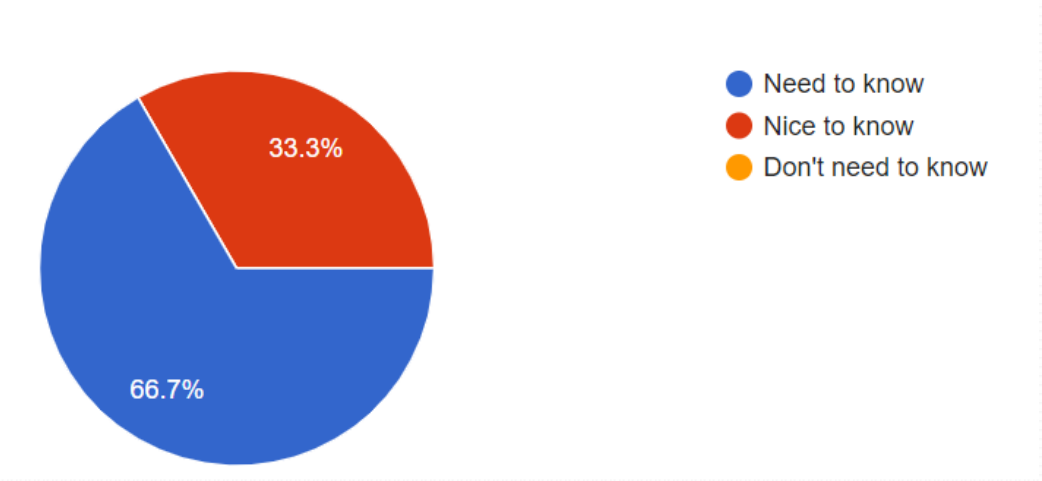
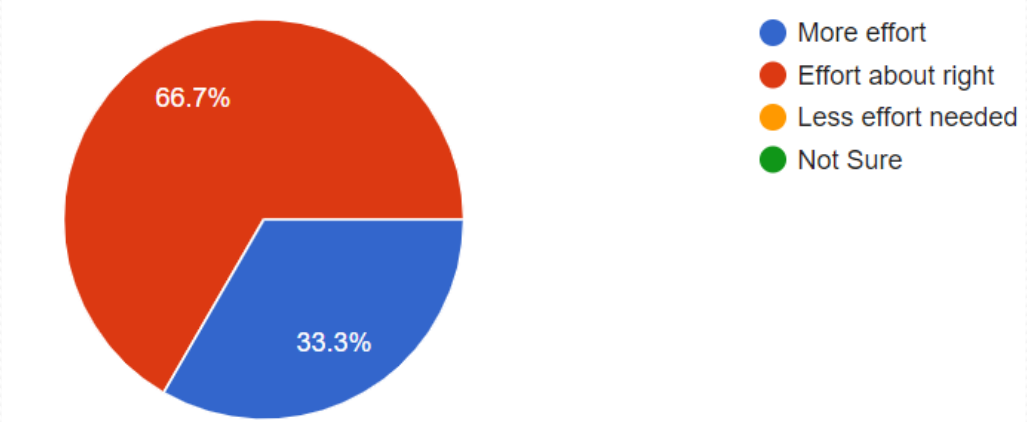
Example Outputs

How necessary is knowing if we'll be on time for lunch today?

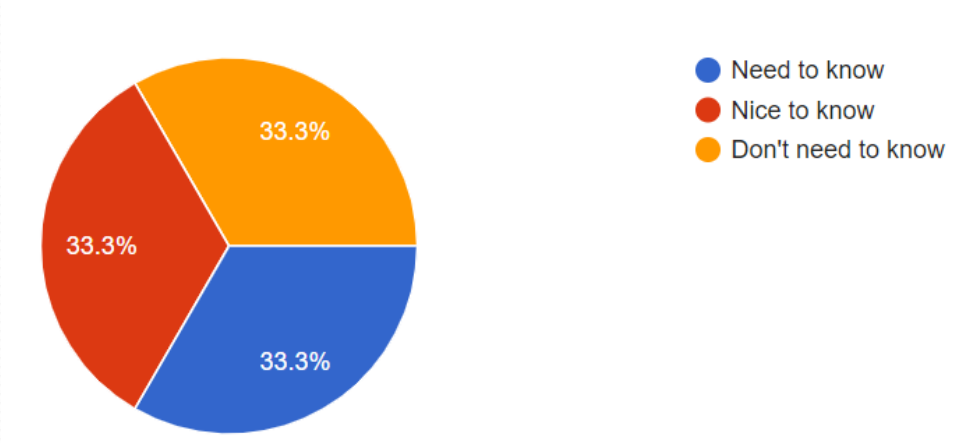


Relative to current effort, what is necessary to appropriately support knowing if we'll be on time for lunch today?

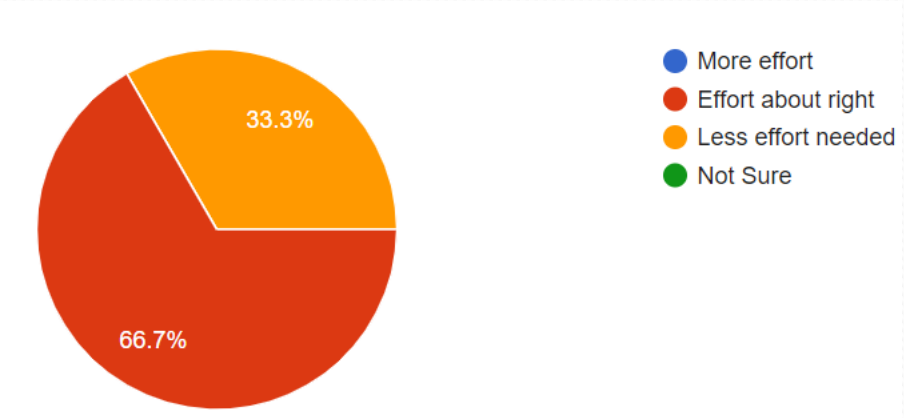


Example Outputs

How necessary is knowing where the nearest caffeine source is?

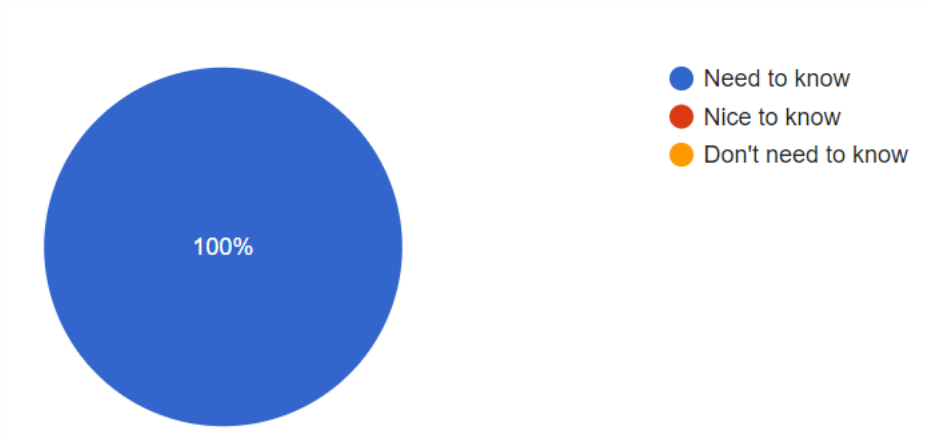


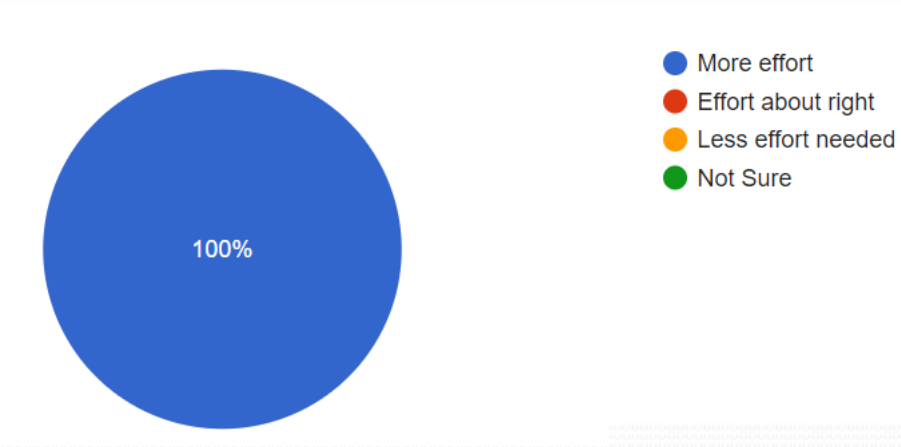
Relative to current effort, what is necessary to appropriately support knowing where the nearest caffeine source is?



Example Outputs

How necessary is learning how to make quadrant charts with this data?





Relative to current effort, what is necessary to appropriately support learning how to make quadrant charts with this data?
